

Infinite rewards for peak performance.

One10 develops reward strategies that combine art and science to result in programs that inspire, motivate and drive behavior change within your audience. One10 PerformX technology, combined with strategy and design, is the perfect recipe to create a reward mix that will work for you.

Millions of global rewards to choose from.

One10 Rewards delivers merchandise to 93 countries and almost anywhere in the world with virtual rewards such as digital media (music, movies, books and games), event tickets, gift cards, mobile top-up and online travel. 24/7 customer support will make sure you are covered no matter where you are in the world.

One10 Rewards includes a single reward catalog that features:

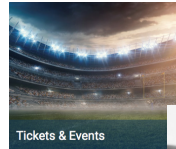

- Highlighted sales and discounted items
- Reward offerings updated daily across all countries and categories
- Full order tracking and reporting
- 98% of all items are delivered within 2-3 business days
- Automated global currency conversions to ensure financial integrity
- Integrated with PayPal & Apple Pay to enable members to securely top-up their points
